Billing and price details

Billing period

Every month

Payment options

Direct debit, Credit card, Centrepay

Prices are not fixed

Time of Use import rates and daily supply charges apply to this plan. We may vary these with at least 5 business days notice. Export credits are variable and based on a share of the wholesale electricity price for energy exported to the grid each billing period. Other fees and charges may be varied with notice to you.

Terms & conditions

This plan is available to residential customers with a Tesla Powerwall 2 or Powerwall 3 installed at their premises, with Tesla App and Tesla Wallet set up. You agree to have a smart meter installed if one is not already operating at your premises. Tesla may optimise your Powerwall to reduce your energy costs. For full terms and conditions, visit https://www.tesla.com/en_au/support/tesla-electric/terms-conditions.

Additional fee information

Additional fees and charges may apply, including distributor service order charges. See the Tesla Electric Fees and Charges schedule at https://www.tesla.com/en_au/support/tesla-electric/fees-charges or call 1800 930 996.

Network Tariffs

Contact the retailer to confirm that your network tariff is eligible for this plan.

Contact the retailer to find out your current network tariffs or locate them at the top of the plan results page if you used your NMI to find plans.
