

## TESLA POWERSHARE HOME BACKUP LIMITED WARRANTY (USA)

**Effective Date: January 1, 2024**

**Applies to:**

<b>Device</b>	<b>Part Number</b>	<b>Limited Warranty Period</b>
<b>Powershare Gateway 3V</b>	<b>Part Number 1841000-x2-x</b>	<b>10 years</b>
<b>Backup Switch</b>	<b>Part Number 1624171-xx-x</b>	<b>10 years</b>
<b>Universal Wall Connector</b>	<b>Part Number 1734412-xx-x</b>	<b>4 years</b>

### **Limited Warranty**

This Limited Warranty applies to the Powershare Home Backup devices (collectively the “Powershare System”) and related products listed in the table above (the “Tesla Products”) provided they are installed on your site for providing backup to your home from your eligible Tesla vehicle. Your Powershare System may (but not necessarily will) include a Backup Switch.

Tesla, Inc. warrants that your Powershare devices will be free from defects for the limited warranty period set forth in the table above following its initial installation date.

Note that this Limited Warranty (including its duration) is subject to a number of important exclusions and limitations, which are set out in detail below.

### **Remedies**

If your Tesla Product fails to comply with the above Limited Warranty, Tesla will, in its sole discretion, either repair your Tesla Product (using new or refurbished parts), replace your Tesla Product with an equivalent product (new or refurbished), or refund you the market price of an equivalent product at the time of the warranty claim. If your Tesla Product is repaired or replaced under this Limited Warranty, the remainder of the original warranty period will apply to the repaired or replacement product. Under no circumstances will the original warranty period be extended as a result of your Tesla Product being repaired or replaced.

### **What Products are Covered?**

This Limited Warranty applies to any Powershare Home Backup device that (1) was purchased from Tesla or a Tesla certified installer in the United States of America; (2) has one of the part numbers referenced above; and (3) is installed in the United States of America. Please contact Tesla if you have any concerns regarding whether you purchased your Tesla Product from a Tesla certified installer.

### **Who Can Make a Claim?**

Limited Warranty claims can be made by or on behalf of the end user who acquired and put the Tesla Product into use for the first time. A subsequent owner of the Tesla Product who provides proof of ownership is also entitled to make Limited Warranty claims.

**Agreement to Arbitrate.** Please carefully read this provision, which applies to any dispute between you and Tesla, Inc. and its affiliates (together “Tesla”).

If you have a concern or dispute, please send a written notice describing it and your desired resolution to [resolutions@tesla.com](mailto:resolutions@tesla.com).

If not resolved within 60 days, you agree that any dispute arising out of or relating to any aspect of the relationship between you and Tesla will not be decided by a judge or jury but instead by a single arbitrator in an arbitration administered by the American Arbitration Association (AAA) under its Consumer Arbitration Rules. This includes claims arising before this Agreement, such as claims related to statements about our products.

We will pay all AAA fees for any arbitration, which will be held in the city or county of your residence. To learn more about the Rules and how to begin an arbitration, you may call any AAA office or go to <http://www.adr.org>.

The arbitrator may only resolve disputes between you and Tesla and may not consolidate claims without the consent of all parties. The arbitrator cannot hear class or representative claims or requests for relief on behalf of others purchasing or leasing Tesla products. In other words, you and Tesla may bring claims against the other only in your or its individual capacity and not as a plaintiff or class member in any class or representative action. If a court or arbitrator decides that any part of this agreement to arbitrate cannot be enforced as to a particular claim for relief or remedy (such as injunctive or declaratory relief), then that claim or remedy (and only that claim or remedy) shall be severed and must be brought in court and any other claims must be arbitrated.

If you prefer, you may instead take an individual dispute to small claims court.

You may opt out of arbitration within 30 days after signing this Agreement by sending a letter to: Tesla, Inc.; P.O. Box 15430; Fremont, CA 94539-7970, stating your name, product, and intent to opt out of the arbitration provision. If you do not opt out, this agreement to arbitrate overrides any different arbitration agreement between us, including any arbitration agreement in a lease or finance contract.

### **Limitations and Disclaimer**

**THIS LIMITED WARRANTY IS THE ONLY EXPRESS WARRANTY MADE IN CONNECTION WITH YOUR POWERSHARE SYSTEM AND RELATED TESLA PRODUCTS.** Any other warranties, remedies and conditions, whether oral, written, statutory, express or implied (including any warranties of merchantability and fitness for purpose, and any warranties against latent or hidden defects) are expressly disclaimed. If such warranties cannot be disclaimed, Tesla limits the duration of and remedies for such warranties to the durations and remedies described in this Limited Warranty.

## **Relationship with Applicable Law**

This Limited Warranty gives you specific legal rights. You may also have other legal rights, which vary from state to state. For example, some states do not allow limitations on how long an implied warranty lasts, meaning the limitations in the “Limitations and Disclaimer” section above may not apply to you. The terms of this Limited Warranty will apply to the extent permitted by applicable law. For a full description of your legal rights you should refer to the laws applicable in your jurisdiction.

## **General Exclusions**

This Limited Warranty does not apply to any defect resulting from any of the following: (i) abuse, misuse or negligence, or damage caused by or resulting from installation, operation, maintenance or repair not in accordance with applicable Tesla Product specifications and manuals, (ii) accidents or force majeure events, including but not limited to lightning, flood, earthquake, fire, or other events outside the reasonable control of Tesla; (iii) modification or repair of your Tesla Product performed by anyone other than Tesla or a Tesla certified installer; (iv) opening of the external casing of your device by anyone other than Tesla; (v) failure to operate or maintain your Tesla Product in accordance with the Owner’s Manual, including removal of the Backup Switch conduit hub or operation of the manual override switch unless directed to do so by Tesla Support, or by your local electric distribution utility, or in a service event to recover power when the utility grid is supplying power; (vi) any attempt to modify your Tesla Product, whether by physical means, programming or otherwise, without the express written consent of Tesla; or (vii) removal and reinstallation of your Tesla Product at a location other than the original installation location, without the express written consent of Tesla.

You must pay for any labor charges upon receipt of replacement parts or a replacement product. Tesla will not pay for labor or any other service costs associated with installation or repair under this Limited Warranty

In addition, this Limited Warranty does not cover (a) normal wear and tear or deterioration, or superficial defects, dents or marks that do not impact the performance of your Tesla Product; (b) noise or vibration that is not excessive or uncharacteristic and does not impact your Tesla Product’s performance; (c) damage or deterioration that occurs after the expiration or voiding of the warranty period; or (d) theft of your Tesla Product or any of its components.

## **Exclusion for Failure to Connect to the Internet or Failure to Register your Powershare System**

In order to provide this Limited Warranty for the full applicable warranty period, Tesla requires the ability to update your Powershare System through remote firmware upgrades. Installation of these remote upgrades may interrupt the operation of your Powershare System for a short period. By installing your Powershare System and connecting it to the Internet, you consent to Tesla updating your Powershare System through these remote upgrades from time to time, without further notice to you. If your Powershare System is not connected to the Internet for an extended period, or has not been registered with Tesla, we may not be able to provide important remote firmware upgrades. In these circumstances, we may not be able to honor your full applicable Limited Warranty. We would prefer to avoid this, so will try to contact you if your Powershare System's Internet connection is interrupted for an extended period. If you did not purchase your Powershare System directly from Tesla or our affiliate, **please register your Powershare System with Tesla<sup>1</sup>** so we are able to contact you, if necessary. Even if we can't honor your full applicable Limited Warranty for the above reasons, we will always honor your Limited Warranty for at least four years following the date your Powershare System was installed for the first time, subject to the exclusions and limitations set out in this Limited Warranty.

## **California Proposition 65 Warning**

We are required to advise you that the Tesla Product may contain chemicals known to the State of California to cause cancer, birth defects and reproductive harm. We don't expect you to come into contact with any part of your Tesla Product other than the external casing. If you do, please wash your hands afterwards.

## **Modifications and Waivers**

No person or entity, including a Tesla employee or authorized representative, can modify or waive any part of this Limited Warranty. Tesla may occasionally offer to pay some or all of the cost of certain repairs that are not covered by this Limited Warranty, either for specific Tesla Product models or on an ad hoc, case-by-case basis. Tesla reserves the right to do the above at any time without incurring any obligation to make a similar payment to other Tesla Product owners.

## **Limitation of Liability**

**TESLA SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY OR PUNITIVE DAMAGES ARISING OUT OF OR RELATED TO THIS LIMITED WARRANTY, REGARDLESS OF THE FORM OF ACTION AND REGARDLESS OF WHETHER TESLA HAS BEEN INFORMED OF, OR OTHERWISE MIGHT HAVE ANTICIPATED, THE POSSIBILITY OF SUCH DAMAGES. TESLA'S LIABILITY ARISING OUT OF A CLAIM UNDER THIS LIMITED WARRANTY SHALL NOT EXCEED THE AMOUNT YOU PAID FOR YOUR POWERSHARE SYSTEM.**

**SOME STATES DO NOT ALLOW, OR RESTRICT, THE EXCLUSION OR LIMITATION OF DAMAGES, INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE**

---

<sup>1</sup> The Tesla certified installer who sold and/or installed your Powershare System should give you an opportunity to register your Powershare System during the commissioning process. In order to register, you will need to accept the Tesla Customer Privacy Policy ([www.tesla.com/legal](http://www.tesla.com/legal)). If you do not register at the time of installation, you can do so later by contacting us at the email address or telephone numbers listed at the end of this Limited Warranty.

**LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU, OR MAY ONLY APPLY TO A LIMITED EXTENT.**

**Limitation on Use**

**YOUR POWERSHARE SYSTEM IS NOT INTENDED FOR USE AS A PRIMARY OR BACKUP POWER SOURCE FOR LIFE-SUPPORT SYSTEMS, OTHER MEDICAL EQUIPMENT, OR ANY OTHER USE WHERE PRODUCT FAILURE COULD LEAD TO INJURY TO PERSONS OR LOSS OF LIFE OR CATASTROPHIC PROPERTY DAMAGE. TESLA DISCLAIMS ANY AND ALL LIABILITY ARISING OUT OF ANY SUCH USE OF YOUR POWERSHARE SYSTEM. FURTHER, TESLA RESERVES THE RIGHT TO REFUSE TO SERVICE ANY POWERSHARE SYSTEM USED FOR THESE PURPOSES AND DISCLAIMS ANY AND ALL LIABILITY ARISING OUT OF TESLA'S SERVICE OR REFUSAL TO SERVICE YOUR POWERSHARE SYSTEM IN SUCH CIRCUMSTANCES.**

**Governing Law**

This Limited Warranty shall be governed by the laws of the state where your Tesla Product is installed, except to the extent inconsistent with or pre-empted by federal law. The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded.

**Claims Process**

In order to make a claim under this Limited Warranty, please contact the Tesla certified installer who sold you your Tesla Product. If you are unable to contact the Tesla certified installer who sold you your Tesla Product, or if you purchased your Tesla Product directly from Tesla, you should contact Tesla at the address, email address or telephone numbers identified below. For a warranty claim to be processed, it must include (i) proof of the original purchase of your Tesla Product and any subsequent transfers of ownership, (ii) a description of the alleged defect(s), and (iii) your Tesla Product's serial number and original installation date. Prior to returning any Product to Tesla, you should obtain an RMA (Return Merchandise Authorization) number from Tesla by submitting a Service Request Form at the link indicated below.
